

Auckland Young Bird National 2016

It has been decided that Boundaries for 2016 Auckland Young Bird National will be the same as last 2 National races (2012 & 2014).

There will be 2 sections East and West with a % to Clubs

All rules of the Auckland Racing Pigeon Federation will be followed.

The entry fees / dates will remain the same as communicated in the 1st Newsletter. The 1st newsletter and all correspondence concerning this race can be found on the ARPF website under the tab: News.

All rings must be registered with the ARPF:

Out of area and out of section must be registered in owner's name and handler.

For all syndicated teams their pigeons must be registered in the owner's name and handlers' names whose loft they are racing from.

For all members who have Out of Area pigeons please inform your OOA how the pigeons are going and remind them of the Young Bird National deadline dates.

The Auckland Young Bird National Committee would like to thank Van Lier Nurseries for their support, and wish you well with your breeding season and look forward to your participation in the Auckland Young Bird National 2106.

I have attached a National Nomination Entry form along with this communication for your action.
